The Beaufort District
Seventh Episcopal District - A. M. E. Church
South Carolina Annual Conference

2016 HANDBOOK & DIRECTORY

The Right Reverend Richard Franklin Norris, Presiding Bishop
Mother Mary Ann Norris, Episcopal Supervisor
The Reverend Joseph A. Darby, Presiding Elder
Mrs. Mary Bright Darby, Area Consultant
Greetings in the Name of Our Lord and Savior, Jesus the Christ:

I thank and praise the God of our salvation as we begin another Conference Year together. I also thank the pastors and people of the Bold, Beautiful and Bountiful Beaufort District for all that you have done and will do to serve the Lord in the southernmost portion of the State of South Carolina.

The Book of Esther recounts how a young Jewish girl who became the Queen of Persia saved her people from a racist plot to destroy them. Esther was initially reluctant to help because she’d hidden her identity and was assumed - even by her husband the king - to be Persian, but her Uncle Mordecai reminded her that she’d be discovered sooner or later. He also told her in Esther 4:14, “Who knows whether you have come to the kingdom for such a time as this?”

Remember those words as you do the work of the Kingdom of God in this Conference Year. The Conference Year gone by included the murders of the Emanuel Nine, numerous police involved murders of black people and other acts of terrorism. Some candidates for President are stirring up racially prejudiced voters instead of articulating agendas for progress. Some elected officials are working for the benefit of the “haves” and ignoring the “have nots.”

As believers in and followers of the Lord Jesus Christ, we are commissioned to carry the Liberating Gospel to the world and to make disciples. That calls for more than doing “business as usual.” That requires seeing that our churches meet the needs of their surrounding communities and for people of faith to not only feed and clothe the needy, but to stand up for and defend the rights of the needy.

Let that be your agenda during this Conference Year. You’ll be blessed, your congregations will grow and you’ll give life to the words of our Savior, who said in Matthew 25:40, “Whatever you did for the least of these brothers and sisters of mine, you did for me.”

May the God of our salvation bless you and bless your work!
THE MISSION, VISION, PURPOSES AND OBJECTIVES
OF THE AFRICAN METHODIST EPISCOPAL CHURCH
From The Book of Discipline of the African Methodist Episcopal Church,

The Historical Preamble

The African Methodist Episcopal Church, whose founders affirmed their humanity in the face of slavery and racism, stands in defense of disadvantaged and oppressed peoples in the 21st century. From the origins in the Free African Society through the involvement of the AME clergy and lay in the Civil War of the 1860's and the Civil Rights Movement in the 1960's, the AMEC has preached salvation from sin and deliverance from bondage. The mission expanded to others in the African Diaspora in the Americas, Africa, Caribbean and Europe. Whether in schools, seminaries, hospitals or social service centers, the AME Church has lived the gospel outside its sanctuaries. This mandate still informs its ministry, vision and mission in the Church’s third century of existence.

1. The Mission

The Mission of the African Methodist Episcopal Church is to minister to the social, spiritual and physical development of all people.

2. The Vision

At every level of the Connection and in every local church, the AME Church shall engage in carrying out the spirit of the original Free African Society, out of which the AME Church evolved: that is, to seek out and save the lost, and to serve the needy. It is also the duty of the Church to continue to encourage all members to become involved in all aspects of church training.

3. The Purposes

The ultimate purposes are: (1) make available God’s Biblical principles, (2) spread Christ’s liberating gospel, and (3) provide continuing programs which will enhance the entire social development of all people.

4. The Objectives

In order to meet the needs at every level of the Connection and in every local church, the AME Church shall implement strategies to train all members in: (1) Christian discipleship, (2) Christian leadership, (3) current teaching methods and materials, (4) the history and significance of the AME Church, (5) God’s Biblical principles, and (6) social development to which all should be applied to daily living.

THE MOTTO OF THE AFRICAN METHODIST EPISCOPAL CHURCH

“God our Father, Christ our Redeemer, Man our Brother” (traditional)
“God our Creator, Christ our Redeemer, Humankind our Family” Contemporary

THE SYMBOL OF THE AFRICAN METHODIST EPISCOPAL CHURCH

The symbol of the church is a cross overlaid with an anvil. The cross symbolizes our identity as Christians. The anvil reminds us of our beginnings as a denomination in a converted blacksmith’s shop.
Our Beliefs are embodied in our Twenty-Five Articles of Religion, which are found in our *Book of Discipline* and cannot be changed under any circumstances by the vote of the general Church. We believe:

1. That **there is one God** who interacts with us as God the Father, who created all that is, God the Son, who saved us from our sins, and God the Holy Ghost, who lives in and directs the lives of all believers. The three persons of God are of one substance and always work for our well being.

2. That **Jesus is the Christ** (which in Greek means the Messiah or Anointed One) who came into this world born of a virgin as God in human form - the **Word of God made flesh** - to show us how to live and to save us from our sins by dying for us.

3. That **Christ died on the Cross and arose from the dead in body and spirit** three days later to guarantee us everlasting life.

4. That **the Holy Ghost** does not just touch us in worship but is ever present in true believers to guide and direct our daily lives.

5. That the sixty-six canonical books of **the Scriptures are sufficient** in direction and instruction for our salvation as the inspired Word of the Lord recorded by humankind.

6. That **the Old Testament** is as essential for our salvation as is the New Testament. The Old Testament shows that we cannot save ourselves by our work and that we can only be saved by the Grace of the Lord Jesus Christ, and that the laws of the Old Testament that govern our relationship to God and to each other are still valuable.

7. That all of us are heirs of Adam and inherited the tendencies to sin shown in Adam’s **original sin**.

8. That because we are heirs of original sin, we cannot exercise the **free will** to save our souls.

9. That we are **justified** not by our work, but by the saving Grace of the Lord Jesus Christ.

10. That the **good works** that we do spring from our faith in the Lord Jesus Christ and our willingness to walk in the Spirit of God.

11. That the idea of **works of supererogation** - works beyond what we need for salvation, is not relevant because the good that we do is offset by the bad that we do.

12. That, while all of us **sin after justification**, we can be forgiven if we earnestly ask the Lord to forgive us, with the exception of sin against the Holy Ghost, which is a total rejection of the Lord.

13. That **the church** is not a building, but is the congregation of the called out of God who come together for worship, sacramental sharing fellowship, instruction, mutual support and service.

14. That there is no such place as **purgatory** - a mid-point for the “purging of sin” between heaven and hell.

15. That **worship should always be done in a language that can be understood** by the worshipers.
16. That we have two **Sacraments** ordained by Christ and embraced by Scripture - Baptism, because Christ submitted to Baptism, and The Lord’s Supper, because Christ directed us to remember Him by way of the Lord’s Supper.

17. That **Baptism**, regardless of the means, is an outward sign of an inner change, and that children of the church should be Baptized and become preparatory members of the church.

18. That the **Lord’s Supper** is simply our way of remembering that the Body and Blood of Christ were offered for our salvation.

19. That all worshipers are entitled to the Lord’s Supper in both kinds - the bread and the beverage.

20. That the **one oblation of Christ upon the cross** was the sacrifice for our sins and that no other signs or symbols are needed as aids for our forgiveness or salvation.

21. That the **marriage of ministers** is appropriate and encouraged so that the clergy can be productive members of their families, communities and the family of believers.

22. That the **rites and ceremonies of the church** should be sufficiently uniform so that all worshipers in any AME Church can find familiar surroundings but flexible enough to allow for local custom and for the work of the Holy Spirit.

23. That the **Rulers of the United States of America** or of any country and their just laws are to be respected by the family of God.

24. That the **goods of a Christian** are gifts from God to the individual and not common property, but should be shared for the work of the church.

25. That the **taking of oaths** is permissible in a court of law, but that Christians should avoid the folly of swearing vain and rash oaths.

---

**THE BASICS OF AME POLITY**

The African Methodist Episcopal Church operates as a *Connectional Church* because all AME Churches are related in governance, have policies of operation set by a central authority, agree to support a central authority and are assigned clergy by a central authority.

The Connectional Church also has a Council of Bishops, a General Board, a Board of Incorporators and a Judicial Council.

**Each Local African Methodist Episcopal Church has:**

- **From three to nineteen Stewards**, who are nominated by the pastor and confirmed by the Quarterly Conference. Stewards see to the spiritual and financial well being of the church and give administrative care to the overall program of the church. Stewards:
a. Account for the monies collected and disbursed for the use of the church,
b. Set, in consultation with the pastor, the pastor’s salary and benefits package,
c. See that the needy of the church and community are comforted,
d. Keep a record of all Baptisms, marriages and deaths in the church family,
e. Provide the elements for the Lord’s Supper,
f. Review the status of the members of the church to assure that they are in good and regular standing.

• **From three to nineteen Trustees**, who are nominated by the Pastor and elected by the Church in Conference by ballot. Trustees see to the real and personal property and the church by:

  a. Holding in trust all real property of the church,
  b. Seeing that the real and personal property of the church is safe, functional and secure,
  c. Making necessary repairs to the church and its property,
  d. Notifying the Official Board when Improvements or property acquisitions are needed.
  e. Providing for housing for the pastor.

• **Stewardesses**, who are nominated by the Pastor and confirmed by the Board of Stewards. Stewardesses see to the preparation of the elements and needed furnishings for the Lord’s Supper and Baptism and see that the chancel area and pulpit are properly prepared for worship.

• **Class Leaders**, who are appointed and assigned by the Pastor, and bear direct responsibility for a small group of members of the church. Class Leaders:

  a. Meet with the members of their classes on a regular basis for fellowship and instruction,
  b. Inform the pastor of any critical needs involving their members,
  c. Inform the Pastor and Official Board of members who have left the church,
  d. Encourage stewardship and involvement by the members of their classes.

• **A Church School**, which is the primary Christian Education organization in the local church. The Pastor appoints the Church School Superintendent and sees to the election of Church School Officers, who comprise the Church School Board. The Church School Board appoints teachers for the various classes of the church School.

• **Connectional Organizations**, which relate to and are included in the Connectional structure of the AME Church. For example, local church Women’s Missionary Society is a part of the Area, Conference Branch, and Episcopal District Women’s Missionary Society, and the Connectional Women’s Missionary Society of the AME Church.

• **Local Organizations**, like choirs and usher boards, which are unique to their local churches and have no structural relationship to the Connectional AME Church.

• **An Official Board**, which is the basic congregational administrative body in the local church, and is composed of the clergy of the church, all persons noted above in the organization of the church, and the chairpersons of each local and Connectional organization. The Official Board meets to see that the work of the local church is done in an efficient and spirit filled manner.

**It should be noted that** The Connectional nature of our church grants local superintendency to the assigned pastor. The pastor is chairperson ex-officio of all local organizations of the church. Because the local church operates at the direction of the Annual Conference, the term of service for all elected and appointed officers in the local church is one year.
